Welcome back. We hope you had a wonderful Christmas, a Great New Year and more importantly, you relaxed and are ready for the rest of the school year. Don't worry, it will fly by 😊

Summer Course in England

Come with us to the beautiful Ardingly College in England this summer and have a great time .

For more information please ask your teacher 😊

In December, we had a Christmas party with our children's classes, as well as handing out the certificates to the students who did the Cambridge exams. Here are some photos.

My favorite band

Today I'll talk to you about my favorite band: Capital cities.

They don't have many songs, in fact, they only have four until now: Safe and Sound, Beginnings, Center Stage and Kangaroo court.

They are a indie pop duo from Los Angeles. The singers are called Ryan Merchant and Sebu Simonian. Their first album – "In a Tidal Wave of Mystery" - was released in 4 June 2013

I've liked them for like half a year.

The music Safe and Sound got first place at the Media Control AG contest.

I hope they come to Portugal for a concert, so I can go see them.

My favourite singer and type of music.

My favourite singer is Rihanna. I like her because of her songs, words and dances.

She sings pop and R&B.

Rihanna has already done a lot of concerts all over the world.

Firstly, I like her because she is very generous and happy.

Secondly I like pop because it's great to hear and dance too! The words of the songs are often about the singer's life.

Thirdly, Rihanna has got a lot of crazy fans, like me, and she loves them a lot.

She usually wears dresses and a lot of trousers and shorts.

I always listen to her songs and see her photos on Facebook, Instagram and Tweeter.

Finally, I think pop music can change the world because the songwriters make the songs beautiful and the singers express their feelings well.

I also like rap and rock.

Eminem is my favourite rap singer because he is very noisy. Some people think that rap songs are always about the problems of the population. Rap singers can sing really fast.

This is the first photo of my son, so it is my favourite.

I took the photo on November 23rd 2003 when my son was only a few minutes old.

I took this photo with my mobile phone because my camera was in my car.

My wife and I came to the hospital in the morning but my son was only born at six o'clock in Famacião hospital. Although I was very hungry, I didn't have lunch. I wanted to be around him.

This was the happiest day of my life, but I was worried and very nervous.

Me

Hello, my name is Vítor Matos. I'm eight years old.

I'm a student. I'm from Santo Tirso, Portugal.

I haven't got a pet. I have got three brothers.

I haven't got a sister. I have got straight short brown hair.

My eyes are brown. I have got a best friend. His name is Michael. His hair is dark brown. His eyes are brown. I have

got a toy lego and a toy plane. My favourite toy is my nerf. I can skip and sing. I can't ride a bike and play

football. I can swim.

Goodbye!!!

(Vítor Matos - Aa - St Tirso)

There will be computer lessons and download of information. There won't be books, teachers or boring lessons. Some people think that the future will be better. People will live in rooms with teleportation. There'll be homes that have automatic cleaning and eye pr finger print sensors.

We will have teleportation, communicate with holograms, play on station 77 and watch TV on hologram.

(Patricia - B ch - St Tirso)

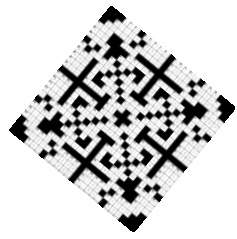

Hello William,

I like very much the sports that you can play in my country. It's football, and the other (for me) is Tennis. My favourite players are Rafael Nadal (Tennis) and Cristiano

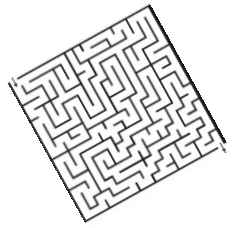

Ronaldo (Football). They're 28 years old. Ronaldo is from Portugal, but he lives in Madrid, because he plays in the best team in the world: Real Madrid. Rafael Nadal is from Spain. They're tall, slim and Rafael Nadal's hair is brown and Cristiano Ronaldo's hair is black. They are the best in the world. I like them, because they never give up and, every day they train 6 hours a day.

Bye, Vicente Gama
