Student's Work

Hi!

Today I'm going to talk a little bit about me.

My name is Beatriz and I'm 13 years old. I'm currently in 8th grade and I transferred schools this year.

I live with my parents and my sister Matilde. She is only 3 but she is actually really clever. She went to the kindergarten for the first time this year, and she already has so many friends!

I like swimming and reading books and magazines.

Well, I'm just an ordinary girl so this is the end.

(Beatriz A – B teens – St. Tirso)

My name is Maria. I am 13 years old. I live in Lama, Santo Tirso. I have got one sister who is older than me. She is 15 years old.

After school, on Mondays and Thursdays, I play volleyball in the school team, which is called ADCCA. It starts at six o'clock and finishes at seven o'clock, or half past seven.

After that, I go home, have a bath, have dinner and go to sleep.

I like meeting my friends at weekends.

My school is called Instituto Nun' Alvares.

(Maria – B teens – St. Tirso)
