Musaxi

I tried Musaxi for the first time two years ago and it was a nice surprise to find that this restaurant was much better than what I had expected. Although it is not considered one of the best sushi restaurants, I have to admit that it is easily the best price-quality ratio restaurant I've eaten in. Therefore, I'm sure this would be a suitable restaurant to celebrate a special occasion with my class.

Musaxi is situated in Matosinhos, Porto, so it is easy for everyone to get there. As you enter you are welcomed by a lovely and cosy setting, with red lights all around and also with typical Japanese decorations. Anyone who likes Japanese food such as sushi, noodles or Miso Soup will really enjoy eating there. However, for those who don't appreciate that, Musaxi has an alternative menu which has as the main dish the famous "Kobe beef", as known as the tenderest beef in the world. Another good point about this restaurant is that we can eat whatever we want and we will always pay the stipulated price due to the fact the restaurant has a "rodizio" price. A negative side is that the service is not as good as the quality of the cooking. You can hardly get a smile out of the waitresses which I even understand because they are always too busy.

On the whole, I think our class would enjoy going there because the price is reasonable, the restaurant is welcoming and the food is really satisfying and tasty. What more can you expect from a class dinner? Only a good mood and brave laughs!

Here are some silly laws from around the world;

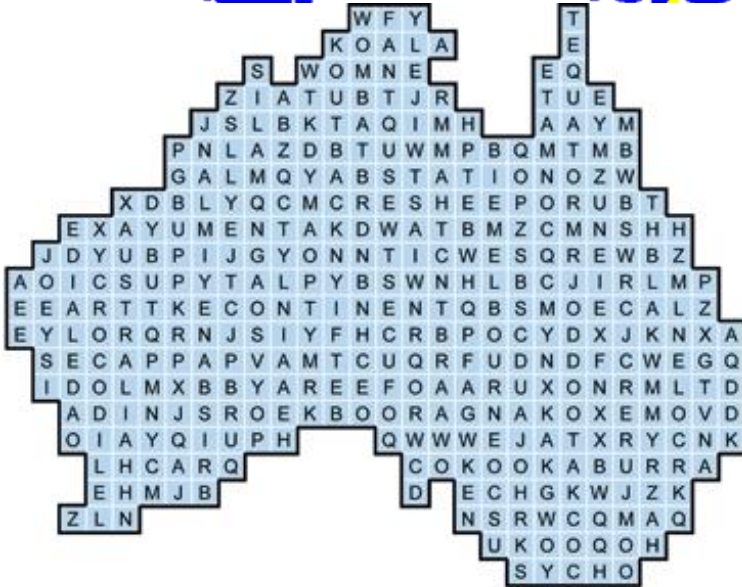

- In Thailand, it is illegal to step on money.
- In Iowa, USA, it is illegal for a man with a moustache to kiss a woman in public.
- In Samoa, it is illegal to forget your wife's birthday.
- In Turin, Italy, dog owners must take their dog for a walk at least three times a day.
- In Honolulu, Hawaii it is illegal to sing loudly after sunset.
- In Victoria, Australia, it is illegal to change a light bulb unless you're a licensed electrician.
- Bangladeshi children of 15 and older can be sent to jail for cheating on their final exams.
- In Florida it is illegal for a divorced or a widowed woman to skydive on a Sunday afternoon.
- In Eraclea, Italy, it is illegal to build sandcastles.
- In La Paz, Bolivia, married women can only drink one glass of wine when they go out.

These animals are really happy ☺
